

WELCOME TO PSA

FACE COVERING REQUIREMENT

We ask that you wear a face covering that covers your nose and mouth as a requirement to enter. Face coverings must be worn while entering the building, moving through the space and anywhere safe distancing cannot be practiced.

TEMPERATURE CHECK

A member of our team will meet you at our suite entrance where you will complete a health screening form and no-contact temperature check. Please follow their instruction and practice safe distancing.

WELLNESS + ETTIQUETTE

It is important for the comfort of all occupants of the PSA office that a safe distance is practiced as often as possible. Wash or sanitize your hands often. Avoid touching your eyes, nose and mouth. If you do not feel well, please stay home.

QUESTIONS?

We are working hard to ensure our guests and employees feel safe in the workplace. If you have any questions about our current policies or have been diagnosed with COVID-19 within the two weeks following your visit, please contact our Executive Assistant Maria Brasel at mbrasel@psasecurity.com.

OFFICE CAPACITY

Small Conference Room: 4
Large Conference Room: 10
